OWA

OWAplan, RAW and Sinfonia are the product lines that form the innovative core of OWA's current product development.

The initiative focuses on enhanced ease of installation, the very latest in visual interior design enabled by seamless functional ceiling systems, and room acoustics that can be perfectly tailored to individual requirements. The overall package is rounded off by three new and stylish lighting elements.

Innovative ceiling solutions that enhance wellbeing.

The manifold prizes recently awarded to OWA are testament to the innovative power of the brand. Products from the OWAconsult collection, have recently won the China Good Design Award, the bdia ausgesucht! 2018, the ICONIC AWARDS 2018, Red Dot: Best of the Best (2018), iF DESIGN AWARDS 2018, the German Design Award 2018 and the MIAW Award. As a consequence, the OWAconsult collection is being continuously improved and developed. Among these innovations are the OWAplan and RAW product lines, together with the introduction of new lighting elements for the modular Corpus system.

Product highlights OWApplan

OWA

- SEAMLESS CEILING SYSTEM OFFERING HUGE SCOPE FOR DESIGN
- FLEECE LAMINATION AT THE FACTORY - LESS WORK ON SITE
- TWO NEW PLASTERING SYSTEMS - FINE (OWAPLAN S)
AND ULTRA-FINE (OWAPLAN XS)
- AIRLESS PLASTER APPLICATION (OWAPLAN XS)

OWAplan OWAconsult collection

The seamless OWAplan ceiling system – also part of the OWAconsult collection – has been thoroughly revamped. Fleece lamination at the factory makes processing on site even more convenient.

OWAplan S and XS plastering systems can be individually mixed and matched with OWAplan⁷⁰ and OWAplan⁹⁰. Together with the OWAplan XS acoustic plaster coating, the Airless technique applicable for the first time for plastering systems creates a particularly fine surface finish. OWAplan blends harmoniously into any architectural style, while at the same time offering pleasant acoustics and enhanced wellbeing designed by OWA.

OWAplan⁷⁰ OWAconsult collection

The new OWAplan⁷⁰ for outstanding acoustic performance and elegant design. Combined with OWAplan S or XS plaster coatings fine or very fine surface finishes can be created.

PROPERTIES

| | |
|-------------------------|--|
| Material: | Mineral tile, fleece laminated |
| Fire behaviour: | A2-s1,d0 as per EN 13501-1 |
| Available sizes: | 2400 x 1200 mm |
| Sound absorption*: |  $\alpha_w = 0.65$ / NRC = 0.70 |
| Humidity resistance: |  up to 95 % RH |
| Fire resistance (EN)**: |  up to REI 60 (EN 13501-2) |
| Seals of quality: | Blauer Engel eco-label, French VOC Label Class A+, eligible for LEED credit |

* Depending on system, base ceiling and on-site workmanship;
please consult the OWAplan installation instructions no. 1031 e for more details

** Depending on system, base ceiling and other supplementary measures

OWAplan⁷⁰ can be combined with two different plaster coating systems:

- OWAplan S (fine)
- OWAplan XS (ultra-fine; can be applied using the Airless procedure)

Learn how to handle and process the two plaster coating systems in the hands-on training course offered by OWA. Feel free to ask for more details!
